

A Platformer (not that original but should be easy to implement)

2 levels To switch from a level to another use JUMP (or somethignelse)

Lights

- Strobo
- Dark and White colors
- Super bright colors

No sense map interactions

- Invisible obstacles
- Indoors that looks like outdoors or some no sense doors

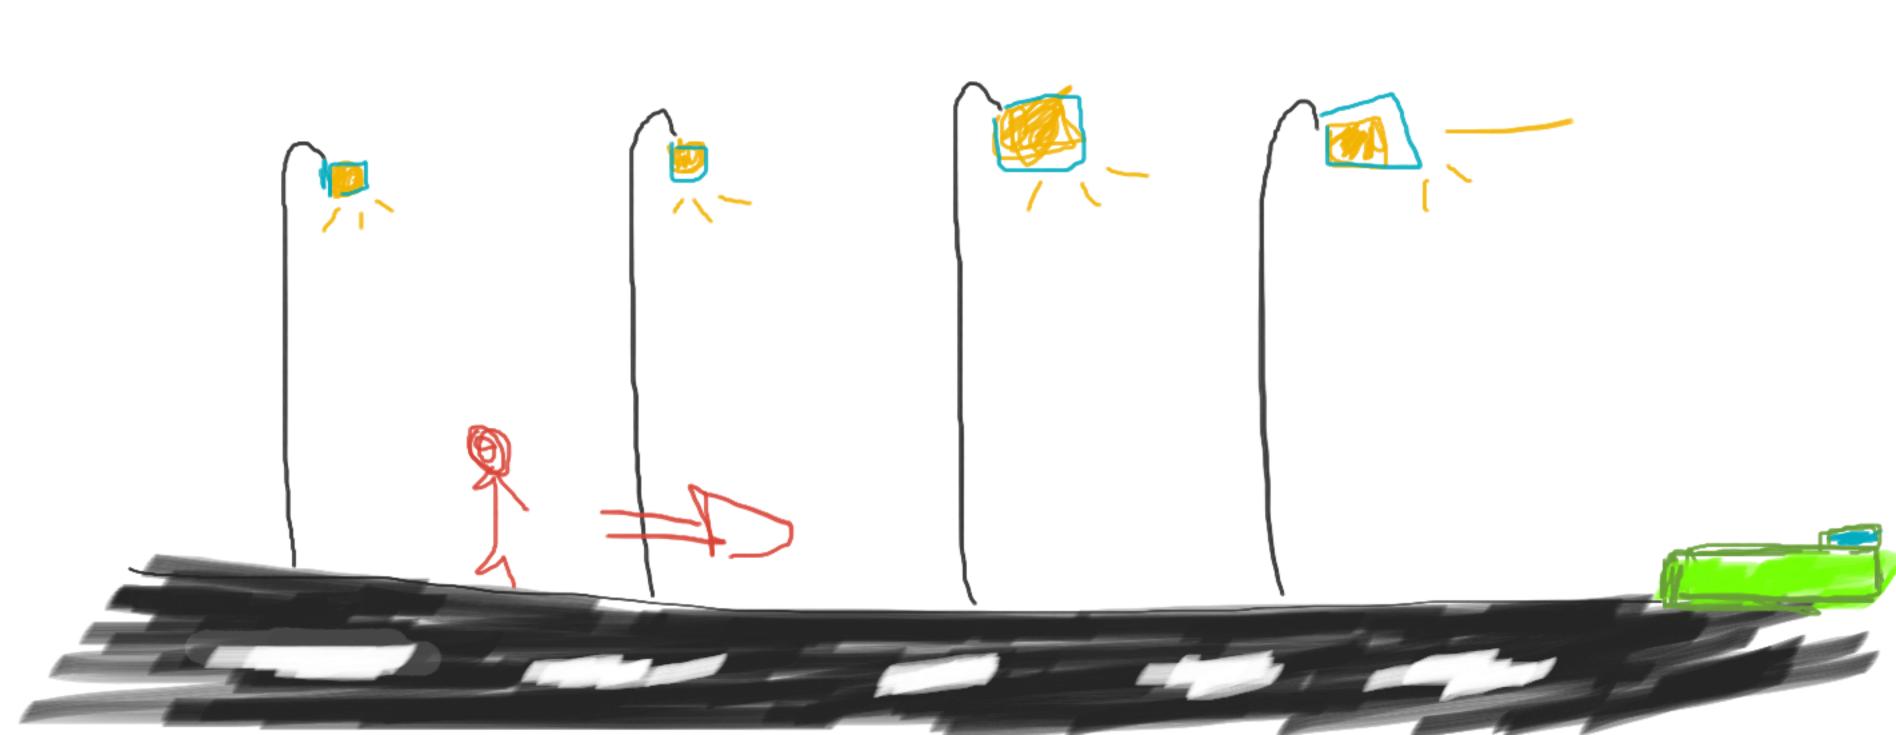

No sense changes

No Sense Physic

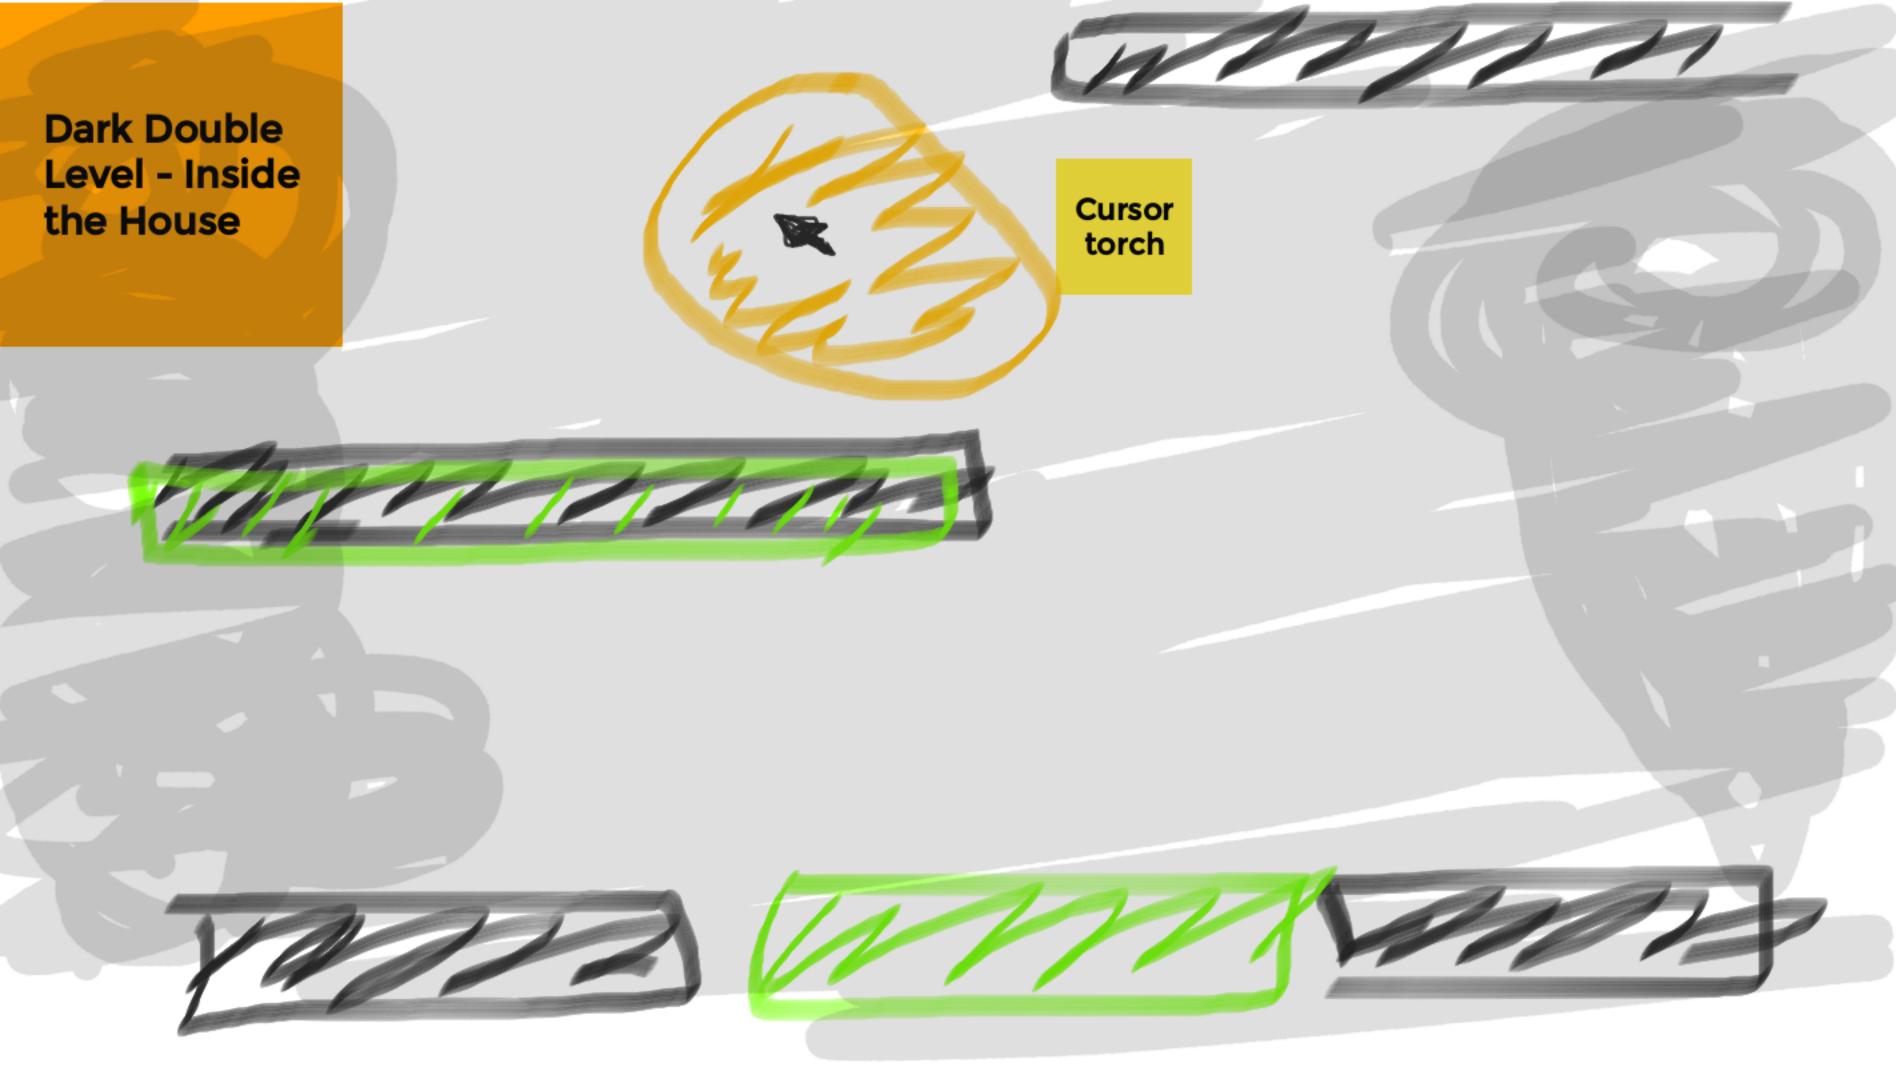

Inizio:

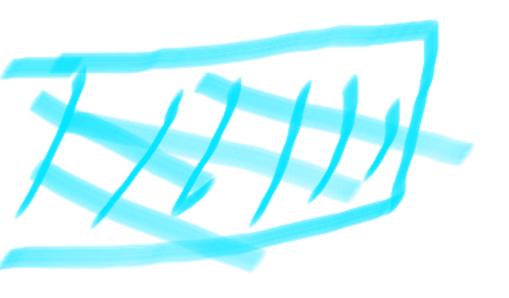

Strada buia con lampioni, la luce ti guida fino ad un letto, Si illumina la scritta "It's time to Dream" o qualcosa del genere

Il player va sul letto e si entra nel sogno

Double Level => Switch

Level In-Development

Cono di Luce Che si 4 livelli Speculari, il apre e si restringe player è in tutti e 4, fino ad inquadrare ma i comandi variano solamente uno dei casualmente player La camera ruota

Arrivare alla chiave
